

Accommodation in Poreč during the HISTRIA PHILA Alpe Adria 2026 exhibition in Poreč.

We offer 2 hotels in the Plava laguna group, but there are also several other hotels of the same brand available (check the website).

All reservations must be made directly on the hotel company's website
www.plavalaguna.com

Our official hotel is: **Hotel Molindrio Plava Laguna ★ ★ ★ ★**

And there is also: **Hotel Albatros Plava Laguna ★ ★ ★ ★**

We have a promotional code for the Albatros hotel that you should use when booking. This code includes half board (breakfast and dinner), and for two people the room rate per day is €100.00

The reservation code is: **FNDP26**

Reservations for the Molindrio „headquarters“ hotel can also be made on the website. The price is slightly higher, and bed and breakfast as well as half board are offered (must be indicated when booking).

Both hotels are located by the sea, and they have spacious parking lots that can be charged, but outside the high season it is a symbolic amount (perhaps 2-3 € per day).

Our entire program is planned at the exhibition area, but some meetings of certain groups can also be held at the Molindrio „headquarters“ hotel.

If you want to extend your stay to additional dates before or after the exhibition, there is a possibility for that, so please contact the hotel in this regard.

We are at your disposal for any additional questions.
